

Eurosummit

European Legislation and WEEE Management Systems

Rome - October 13/14, 2011

Residenza di Ripetta - Via di Ripetta 231

WEEE Eurosummit è il punto di incontro per tutti i soggetti che in Europa si occupano di RAEE. L'evento rappresenta un'occasione unica per fare il punto sullo stato dell'arte nei diversi stati membri e per discutere delle novità che si preannunciano con la revisione della Direttiva RAEE. Il primo giorno sarà dedicato ai diversi sistemi che si occupano di gestione dei RAEE mentre il secondo giorno alle istituzioni nazionali ed europee incaricate di definire le normative nazionali.

La partecipazione è libera, è richiesta la registrazione on-line

WEEE Eurosummit is the meeting point for all those who are involved in the WEEE sector in Europe. The event is a unique opportunity to take stock of the state of the art in Europe's WEEE sector and to discuss the forthcoming changes due to the WEEE Directive revision. The first day will be focused on the various ways in which the member states have organized their WEEE collection and processing. The second day will feature government and institutions in charge of defining European and member states legislations.

Participation is free, on-line registration is kindly requested
