Take part in the launch of INCITE

The European Innovation Centre for Industrial Transformation and Emissions (INCITE) is a one-of-a-kind initiative that will accelerate the implementation of clean industrial technologies, while contributing to a circular and more competitive industry in Europe.

The innovation centre is a key element of the new Industrial Emissions Directive, and adds

a forward-looking mechanism to the Sevilla process. It will be set up in Seville (Spain), and launched in an interactive event next 21 June together with industry, innovators, financiers, environmental NGOs, think-tanks, Member States and EU officials.

[Register](#) to join us in Seville or remotely (web-streaming) for the launch.
