

NEWSLETTER N° 179 - 08 JULY 2024

Last week, the Hungary Presidency of the Council of the European Union began, and the EU Strategic Agenda 2024-2029 was published. It's time to see how Hungary will influence EU policies over the next six months.

At FEAD, we've been busy with the [publication](#) of the third edition of our digital magazine.

FEAD DIGITAL MAGAZINE VOL.3

Strategic Agenda 2024-2029: Adopted on 27 June, the [Strategic Agenda](#) 2024-2029 includes three main aims: a free and democratic Europe, a strong and secure Europe, and a prosperous and competitive Europe.

Ecodesign of Sustainable Products Regulation (ESPR): On 28 June, the ESPR was [published](#) in the Official Journal of the EU. It will enter into force on 18 July 2024.

Net-Zero Emissions Act (NZIA): On 28 June, the NZIA was [published](#) in the EU Official Journal.

Emissions Trading Systems consultation (ETS): On 01 July, the European Commission [opened](#) a public consultation on a draft implementing Regulation open until 29 July.

Green Deal - call for tenders: In Mid-June, the European Commission published a [call for tenders](#) which aims to identify, analyse and specify implementation bottlenecks of investments in environment, climate and energy; and to propose improvements to overcome the identified implementation bottlenecks and reach the objectives of the Green Deal.

State Aid consultation: On 01 July, the European Commission [launched](#) a targeted consultation on a proposed new procedure aimed to give public access to judicial procedures to challenge specific decisions on State aid measures that allegedly contravene EU environmental law.

European Environmental Bureau (EEB) Memorandum to the Hungarian Presidency: On 01 July, the NGO published its [Memorandum](#) to the Hungarian Presidency as it does for each Presidency each six months.

European Environment Agency: On 27 June, the [European Environment Agency](#) published a [report](#) titled 'Europe's Sustainability Transitions Outlook'.

How to strengthen EU's competitiveness - study: On 04 July, BusinessEurope published a [study](#) titled 'How to strengthen EU's competitiveness' which aims to analyse 'the EU energy system's transition towards 2050 and its impact on EU competitiveness, and to assess how Europe can achieve its climate and energy targets in a cost-effective way, while being internationally competitive'.

Hungarian Presidency: This week, on 01 July, the first week of the [Hungarian's Presidency](#) of the Council of the EU began.

Informal meeting of environment ministers: An [informal meeting of environment](#)

[ministers](#) will take place on 11 and 12 July.

Civil EU Presidency: On 3 July, in parallel with the start of the Hungarian Presidency of the Council, several Hungarian associations and other European NGOs such as the European Environment Bureau, [launched](#) the Civil EU Presidency.

European Council President: On 1 July, the decision electing António Costa as President of the European Council was [published](#) in the Official Journal of the EU.

FEAD News: The third edition of FEAD's [digital magazine](#) has been published! Last week, FEAD's Senior Legal and Policy Officer, Aizea Astor-Hoschen, participated to the Ecodesign preparatory study.

XIV Międzynarodowej Konferencji Logistyka Odzysku

 **16-17.09.2024**  **Bohema House**
ul. Smugowa 46A, Warszawa

Zapisz się już dziś: ekocykl.org/konferencje

The 14th International Reverse Logistics Conference will be held on September 16–17, 2024 at the world's first Ecological Theatre Bohema House in Warsaw.

Main goals of the 14th International Recycling Logistics Conference:

- presentation of basic responsibilities related to packaging and packaging waste in warehouse logistics – e-commerce seller and waste collector,
- discussion of issues related to waste incineration plants as an indispensable element of the circular economy,
- familiarizing participants with waste management solutions in the European Union,
- developing the assumptions of green business models within the Circular Economy,
- taxonomy in the company,
- basic responsibilities in environmental protection.
